Presidents Column

Preston Branaugh

As we start another year, I often like to look back at where I spent the past year. We often have a number of competing demands on our time: personal well-being, family, and professional service. My question to you: Are you average? Of course, many of us might want to consider ourselves "above average", but how might we measure this? According to Statista, the average hours spent on pro bono work by US lawyers was 59.85 hours (as of 2019).

Many of you might exceed that number. Others might not. But either way, as we start this new year, I encourage you to consider the many ways that you can offer your unique skills to help others. I have heard that legal aid groups are typically only able to assist approximately one of every two people in need.

Let's strive to be above average here in the First Judicial District.

We are Back!

By Chris Radeff

2019 was when we met last
Good food, great colleagues, we all had a blast

Awards given, judicial honors, too
The “Before Times” was when we last saw you

Three years have passed like a blink of an eye
Now it’s time to give old friends a big “Hi”
We’ll convene at the Green Center, at Mines
Fun, frivolity, a really good time

It’s a new format, different than before
Heavy Hors D’oeuvres, with cocktails galore
Plenty of seating for you and for me
No formal dinner, but the drinks are free!

The bench has changed, with faces that are new
We’ll say hi, and introduce them to you
We’ll say thank you to those who served us all
During their tenure at the Taj Mahal

Reconnect with old friends, colleagues and more
And thank the past officers of the Board
Awards will be given, so don’t be late
Check out the Proc on how to nominate

Join us in June of twenty twenty-three
On the 10th, where I will be your Emcee
Mark your calendars so you can keep track
Because in the 1st JD, WE ARE BACK!!!
